--

I have the honour to state that the General Manager, Government lectric Factory has fitted the Splitting Machine with a 7 1/2 H.P. otor. The General Manager now writes that we may purchase a 5 H.P. otor from Messrs. Volkart Bros., at Rs.610/- nett and return the 7 1/2 .P. Motor. Mr. Narasimhaiyengar whom I consulted in the matter is of pinion that a 5 H.P. Motor will not be sufficiently powerful and sug- est that we may purchase the 5 H.P. Motor and hand it over to the overnment Elelctri Factory for their use retaining the 7 1/2 H.P. Motor or the Splitting Machine.

Messrs. Volkart Bros., have only 5 H.P. Motors in stock and I ave accordingly placed an order with them for one Motor in anticipation f sanction in view of the fact that the firm required immediate orders o enable them to reserve a Motor for us.

I request that sanction may kindly be communicated very early.
